

GAS TOO

Alfa Kit Ovens are ready for the Alfa Easy gas burner.

FITS ANYWHERE

The pieces in your Alfa Kit have been designed to accommodate even the most difficult entrances.

QUICK RESULTS

Alfa Kit ovens are shipped in ready to stall pieces. Putting together an oven was never this easy.

Pizza Oven Kits

EASY ASSEMBLY

The detailed installation guide explains everything you need to know about assembling the oven.

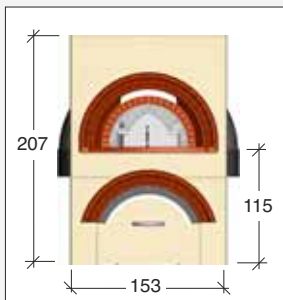

MOBILE

Even after years of use the oven can be easily moved to another location.

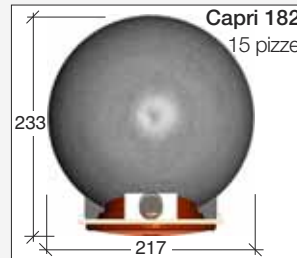

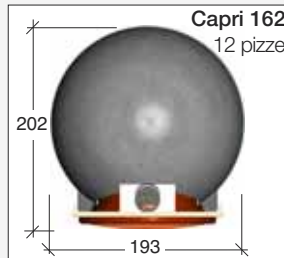

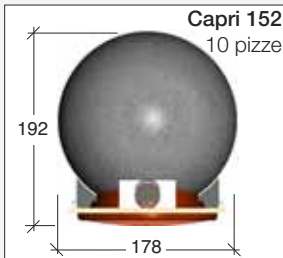

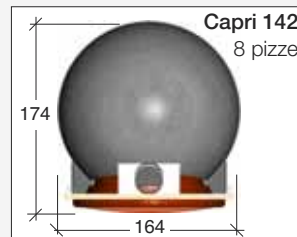

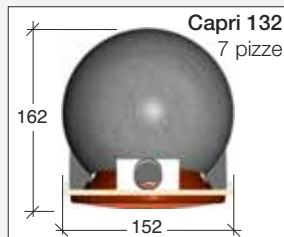

Alfa Kit Capri

1- Capri Install

Capri ovens are available in custom colors.

With its round shape, the Alfa Kit Capri oven is perfect for any space. It is one of our most versatile ovens.

Spacious wood storage bin on wheels

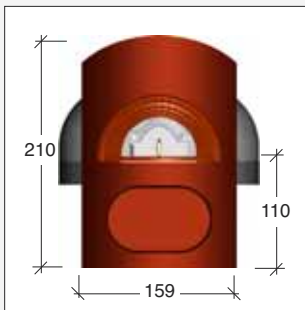

N.B. THE DIMENSIONS OF THE FRONT WALL ARE STANDARD FOR ALL MODELS

Alfa Kit Amalfi

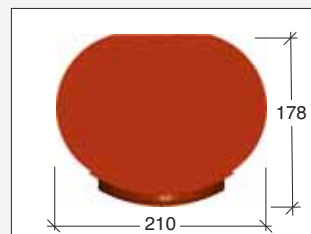

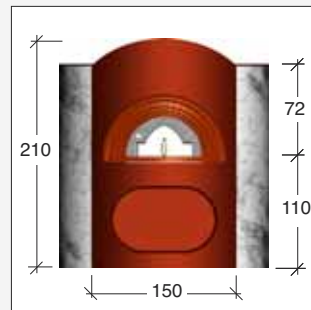

The Alfa Kit Amalfi can cook up to 10 pizzas at a time.

1- Amalfi Install

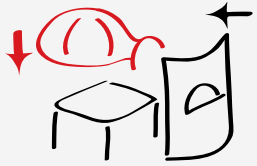

2- Amalfi Round

With its elliptical shape and restricted depth it's perfect for spaces where a traditional sized pizza oven would never fit.

Amalfi ovens are available in custom colors.

Alfakit

Modular oven kits that can be installed quickly and easily

Capri: classic round oven

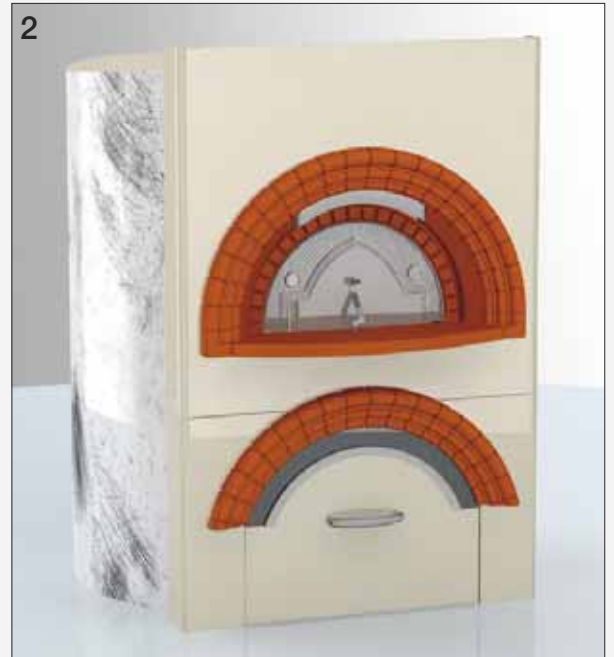

1- Capri Install

The front wall in varnished steel can be installed in pre-existing walls or in new structures.

2- Capri Round

The rounded version is finished on all sides and can be placed anywhere.

Amalfi: new elliptical shape

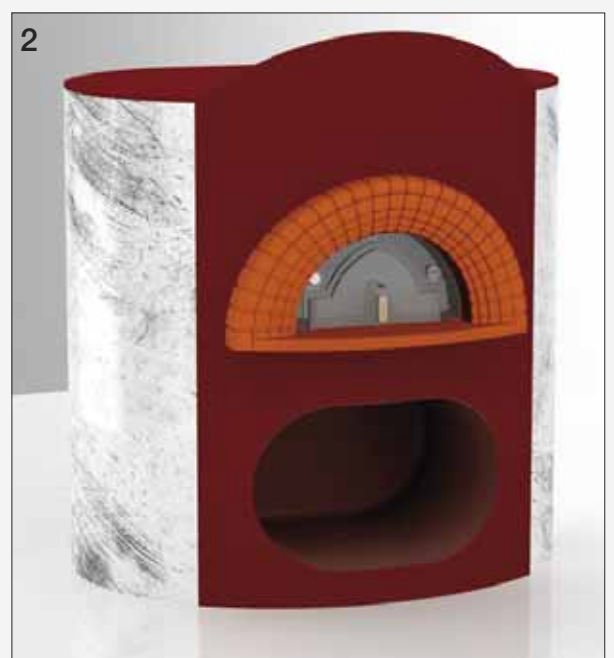

1- Amalfi Install

The front wall is rounded and can be installed in pre-existing walls or new structures.

2- Amalfi Round

The rounded Amalfi version is finished on all sides and can be placed anywhere.

Product Measurement Chart

CAPRI	INTERNAL DIAM. CM	EXTERNAL LENGTH CM	EXTERNAL DEPTH CM	PIZZA CAPACITY	BREAD CAPACITY KG	WEIGHT KG	SEATING
